SUBJECT: BLUE LANTERN LEVEL 3: POST-SHIPMENT END-USE CHECK  
ON LICENSE 730004603

REF: 2006 BLUE LANTERN GUIDEBOOK

[¶1](#). This is an Action Request. See paragraphs 2-4.

[¶2](#). The Department's Office of Defense Trade Controls Compliance (PM/DTCC) requests Post's assistance in conducting a post-shipment end-use check on license 730004603 for the temporary export of military and police radio systems and related hardware to Singapore. Post is requested to complete this Blue Lantern inquiry within 45 days. Lack of response to a Blue Lantern inquiry will affect pending and future licenses involving parties to this license.

[¶3](#). Reason for request: The Department seeks to ensure that all of the listed items were returned to the United States as stipulated in the license provisos.

[¶4](#). Action: Department requests that Post make inquiries to verify the bona fides of the authorized transaction. Conduct site visits to assess the temporary foreign consignees' operations, on-site security, and general reliability as responsible recipients of United States Munitions List (USML) items. Emphasize that the unauthorized re-export or retransfer of USML items is strictly prohibited.

End Action Request.
